

"But the angels said to them, "Do not be afraid. I bring you good news of great joy that will be for all the people. Today in the town of David a Savior has been born to you; he is Christ the Lord"" Luke 2:10-11

"For ALL the people" This is our prayer as missionaries and as followers of Christ; that the hope that Jesus brings a broken world will be for all people, for everyone. This is the motivation that I have to work among the homeless population. I have found that NOT everyone knows of the Good News of Jesus, even in this city that has so many churches. How can this be? Perhaps a question for another time. Let us proclaim this message just as the angels did.

Looking forward with excitement Though we partner with ministries downtown currently we would love to build a team around this work that could function as an InnerCHANGE team independently. It would be a team of missionaries who can serve the spiritual needs through evangelism and discipleship. I'm excited because right now there is a potential InnerCHANGE teammate! He's seeking the Lord's guidance on next steps. Also, a couple of highschool guys (friends with Josiah) have expressed serious interest in getting involved. And, two churches have reached out with questions about more involvement! God is faithful!

Raising Support I would love to be able to spend another day of the week with this work. For this I would need to raise funds to cover this. If you feel the Lord leading in this way please consider a partnership with us!
